02 — MARKET POSITION

Casa Giannini occupies a gap where no strong player currently exists: an Italian-heritage brand with the story of a place, combined with a modern DTC machine.

Segment	Players	Price Range	What They Miss
Baltic Mass Market	MagicLinen, notPerfectLinen	\$40–100	No heritage, no place
Australian Resort	Faithfull, Posse	\$80–200	No EU roots, no Mediterranean story
Mediterranean Artisan	Haris Cotton, Bottega di Brunella	\$60–180	Small reach, no DTC machine
Japanese Minimal	Fog Linen Work	\$60–150	Niche, no Italy story
Casa Giannini	Our position	\$100–180	—
